Description of Training Program

The A+/Network+ Class (15) weeks is an intensive and comprehensive hands-on oriented technical training. During the first eight (8) weeks the training is designed to provide successful candidates with the knowledge and skills required to assemble, refurbish, upgrade, configure and troubleshoot personal computers. It also includes installation of multiple operating systems (OS), installation of drivers, navigation, management, performance optimization, data management, and security and troubleshooting OS related problems. Preventive maintenance of printers, laptops, and mobile devices will also be discussed as well as fundamentals of networking. At the end of the eight weeks, students are expected to take and pass the CompTIA A+ Certification Exam.
