

Training Program Bio

BASIC INFORMATION

Training Provider:		Detroit Training Center	
Training Program:		MIG Welding Production (Breithaupt)	
Training Location:	9300 Hubbell Detroit, MI	Clinical Location: <i>If Applicable</i>	N/A
Phone Number:	313-221-5876	Website:	www.detroittraining.com

Description of Training Program:

This program is designed to prepare students with the skills necessary to be eligible to use welding equipment as well as obtaining certifications in industry related careers. Students will have both lectured styled teaching coupled with hands on training. This hands-on training will include topics such as MIG Welds and how they differ from ARC Welds. Students will also learn job safety requirements per American Welding Society (AWS) Welder Qualifications. The lecture based components of training include OSHA 10 and First Aid/CPR/Blood-borne Pathogens. Students will also be certified on Forklift.
