

Training Program Bio

BASIC INFORMATION

Training Provider:		MI Statewide Carpenters & Millwrights Joint Apprenticeship	
Training Program:		Build MI Future Pre-Apprenticeship - Solar	
Training Location:	11687 American Detroit MI 48204	Clinical Location: <i>If Applicable</i>	Southeast Michigan
Phone Number:	(586)-573-4660	Website:	https://www.buildmifuture.com/

Description of Training Program:

To provide aspiring carpenters, Millwrights, and Floor layers, with foundational skills, hands-on experience, and industry knowledge through a structured pre-apprenticeship program, equipping them with the competencies and confidence needed for successful entry into the carpentry trade.

Skill Development:

Hands-On Workshops: Offer various carpentry projects, from simple birdhouses to more complex furniture, allowing campers to practice different techniques and tools.

Safety Training: Teach proper use of carpentry tools and safety protocols to ensure a safe learning environment.

Solar Training: 8 hr. Introduction to Solar Installation Training. Training covers history of solar development, types of solar installations and configurations, familiarity with common manufacturers and equipment, and common install practices.
