Description of Training Program:

This program is designed to provide professional tractor trailer driver training to students with or without prior truck driving experience. Students are prepared to pass the Class A Commercial Driver's License (CDL/A) written and road test required for entry-level tractor-trailer driving positions. The course is divided into 162 hours of classroom and yard instruction, 162 hours of one-to-one driver instruction, and a skills exam in equipment comparable to industry standards. Curriculum includes preparation for the written and skills test and is taught by experienced driving instructors. The school will use a third party examination site certified by the MI Department of Transportation and CDL license testing is administered on their site by state certified examiners. Upon successful completion of the course the student will receive a certificate of completion, All Stars Truck Driving School certification and a CDL A license.
