Phone Number:	313-635-5058	Website:	www.c2menetwork.org

Description of Training Program:

The Michigan Technology & Trade Institute (MTTI) Pre-Apprenticeship Carpentry Program prepares participants for entrance into an Apprenticeship Carpentry Program or a successful entry-level career in the industry. This program provides foundational skills, practical hands-on experience, and industry-recognized credentials, equipping individuals with the tools and confidence needed to transition into registered carpentry apprenticeships or entry-level construction roles. With a focus on safety, math, and career readiness, the program serves as a gateway to the construction industry.
