Training Location:	ONLINE VIRTUAL	Clinical Location: <i>If Applicable</i>	NOT APPLICABLE
Phone Number:	248-780-9560	Website:	https://www.cuttingedgeschool.com/

Description of Training Program:

The Web Programmer Specialist course is designed as a progressive learning path for individuals seeking to develop and demonstrate expertise in key areas of web programming. As part of this program, students will enroll in two specialized courses that provide a comprehensive foundation in web development and programming: Web Development with HTML/CSS and JavaScript & jQuery Programming. Together, these courses provide students with practical knowledge and skills in front-end web development, enabling them to build and enhance interactive, responsive websites and web applications.
