Training Provider:		Focus: Hope	
Training Program:		TechHire	
Training Location:	1200 Oakman Detroit, MI 48238	Clinical Location: <i>If Applicable</i>	N/A
Phone Number:	(313) 494-5500	Website:	www.focushope.edu

Description of Training Program:

Throughout this 10-week, 300-hour course, students will learn the technical skills necessary to become a CompTIA A+ certified technician. These skills will be learned through a series of hands-on lab exercises designed to teach and improve configuration and troubleshooting skills, which are necessary to function as a technician. Starting with an introduction to computer basics, this course will take students through the more complex issues involved in supporting software, operating systems, workstations, laptops and mobile devices. An introduction to networks and security is included in the training as well as practical real-world type projects to strengthen the soft skills required to work as a Help Desk, ServiceDesk or Desktop Support Technician.

Training Program Bio

BASIC INFORMATION

Training Provider:		Per Scholas	
Training Program:		Network Support Training	
Training Location:	3031 W. Grand Blvd, Ste. 250 Detroit, MI 48202	Clinical Location: <i>If Applicable</i>	N/A
Phone Number:	(313) 348-3388	Website:	www.perscholas.org

Description of Training Program:

The A+/Network+ Class (15) weeks is an intensive and comprehensive hands-on oriented technical training. During the first eight (8) weeks the training is designed to provide successful candidates with the knowledge and skills required to assemble, refurbish, upgrade, configure and troubleshoot personal computers. It also includes installation of multiple operating systems (OS), installation of drivers, navigation, management, performance optimization, data management, and security and troubleshooting OS related problems. Preventive maintenance of printers, laptops, and mobile devices will also be discussed as well as fundamentals of networking. At the end of the eight weeks, students are expected to take and pass the CompTIA A+ Certification Exam.
