

Training Program Bio

BASIC INFORMATION

Training Provider:		Detroit Training Institute of Technology	
Training Program:		Carpentry and Building Construction	
Training Location:	14701 Harper Detroit, MI 48224	Clinical Location: <i>If Applicable</i>	N/A
Phone Number:	313-527-9740	Website:	www.dtitschool.com

Description of Training Program:

The Carpentry & Building Construction course provides students with a foundation in the art of residential building construction. This four (4) month Carpentry course features a combination of classroom instruction and hands on practical application training exercises that build upon the skilled learned in class. Some of the exercises take place on site and some hands-on projects are completed at non-profit organizations such as Habitat for Humanity.
